BACKGROUND

As Chief Wealth Officer of Good Cents Bookkeeping, Justine has had the privilege to work with many talented people across a wide spectrum of industries. Her clients include artists & art dealers, social media and digital marketing stars, designers, fashion royalty, coaches, consultants, creative agencies, midwives, nonprofits, and even hedge funds. The variety and depth of Justine's experiences as an entrepreneur have granted her an incredible array of business acumen--skills which she now uses as a money educator, consultant, and media contributor.

ABOUT HER COMPANY

Good Cents Bookkeeping is America's leading virtual bookkeeping firm servicing clients across the country. Good Cents' entire staff are QuickBooks Online Certified ProAdvisors - a remarkable feat. Intuit, the makers of QuickBooks Online, have named Good Cents a "Firm of the Future" for their innovative use of technology in virtual business solutions.
